List of Disney Channel original films

Since its launch on April 18, 1983, American cable and satellite television channel Disney Channel has released a number of original television films. These were named **Disney Channel Premiere Films** until October 1997, when the current **Disney Channel Original Movie (DCOM)** branding was introduced. For a period from March 2023 to August 2024 the **Disney Original Movie** moniker was used, before the network reverted to the earlier branding.[1]

Most of these films were subsequently released on home video formats such as VHS, DVD, or more recently, Blu-ray, while others were not. Beginning with *Princess Protection Program* in 2009, releases of DCOMs on DVD months following their television premieres got reduced to a week after television premieres. The 2009 television film also became the first DCOM to appear in high-definition widescreen, although DCOMs have been produced in such a format since the release of *Go Figure* on June 10, 2005.

The highest-rated premiere for the banner/brand came in August 2007, when *High School Musical 2* set a record for basic cable with 17.2 million viewers. The second highest-rated premiere is held by *Wizards of Waverly Place: The Movie*, which premiered with 11.4 million viewers. DCOMs include sequels-turned-franchises such as *Under Wraps*, *Halloweentown*, *Zenon*, *Twitches*, *The Cheetah Girls*, *High School Musical*, *Camp Rock*, *Teen Beach*, *Descendants* and *Zombies*.

During the Memorial Day holiday weekend of 2016, Disney Channel began to air many older DCOMs in a specialized marathon programming block in celebration of its 100th film, *Adventures in Babysitting*, starting off with the 51 most popular films airing over the four-day weekend from May 27, 2016[2] and concluding on June 24, 2016 with the premiere of the aforementioned 100th Disney Channel Original Movie.[3]

From April 5 to May 24, 2021, Disney Channel hosted an eight-week event called "DCOM & Dessert", where a Disney Channel Original Movie would air every Monday night at 7:00 PM. *Zombies 2* stars Ariel Martin and Chandler Kinney hosted this event and had their own baking segments where they would make interactive dessert recipes that families could make at home.[4]

Disney previously made many of these films available for streaming on Disney+. However, in 2024 the company removed 20 DCOMs from the EMEA (Europe, Middle East and Africa) regional library.[5]

3. While some sources identify the 1997 film *Northern Lights* as the first Disney Channel Original Movie,[12][13] it was not included in Disney Channel's 100 Original Movies celebration that aired in May–June 2016,[3] and Disney Channel considers 1997's *Under Wraps* to be the first official Disney Channel Original Movie.[14][15]

3. *Zombies 3* was first released on Disney+ on July 15, 2022,[125] but it aired on Disney Channel on August 12, 2022 as a "Lost Song" edition, while maintaining the "Disney Channel Original Movie" label.[126]
